SATURDAY, APRIL 17, 1858.

Legislative Council of India.

The 10th April 1858.

THE following Bill was read a second time in the Legislative Council of India on the 3rd April 1858, and referred to a Select Committee who are to report thereon after the 14th of June next:—

A Bill to make further provision for the settlement of land gained by alluvion in the Presidency of Fort William in Bengal.

WHEREAS, for the removal of doubts respecting the course proper to be followed in the settlement of land added by alluvial accession to estates paying Revenue to Government, it is expedient to lay down certain rules to be observed in the settlement of such land; It is enacted as follows:—

I. When land is added by alluvial accession to an estate paying Revenue to Government, if it be so agreed on between the Revenue authorities and the proprietor or proprietors, the Revenue assessed upon the alluvial land may be added to the jumma of the original estate; and in such case a new engagement shall be executed for

the payment of the aggregate amount, and that amount shall be substituted in the Collector's rent-roll for the former jumma of the original estate. If the proprietor or proprietors object to such an arrangement, or if the Revenue authorities are of opinion that a settlement of the alluvial land cannot properly be made for the same term as the existing settlement of the original estate, the alluvial land shall be assessed and settled as a separate estate with a separate jumma, subject to all the provisions respecting the rights of property therein which are contained in Section IV Regulation XI. 1825, and shall thenceforward be regarded and treated as in all respects separate from and independent of the original estate.

II. Every separate settlement of alluvial land heretofore made shall be as good and effectual for all the purposes above specified as the same would have been if made subsequently to the passing of this Act. Provided that nothing contained in this Act shall be held to affect the rights which any person may have acquired, under a judicial decision or otherwise, before the passing of this Act.

WEDNESDAY, APRIL 21, 1853.

Legislative Council of India.

The 17th April 1858.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 4th April 1858 (communicated to the Legislative Council on the 17th April 1858), and is hereby promulgated for general information:—

ACT NO. XI OF 1858.

An Act to authorize the infliction of corporal punishment in certain cases.

WHEREAS, in consequence of the destruction of the Jails in many parts of India, and the want under existing circumstances of means for the confinement of Convicts and for the due enforcement of prison-discipline, it is expedient to authorize the substitution of corporal punishment for imprisonment in certain cases; It is enacted as follows:—

I. If any person shall be charged before a Magistrate with having committed any of the offences herein-after mentioned, it shall be lawful for such Magistrate, in lieu of committing the offender for trial, or sentencing him to any other punishment to which he may be liable, to sentence the offender upon conviction to corporal punishment not exceeding thirty stripes with a ratan. The offences are—robbery not attended with aggravating circumstances, burglary, theft, knowingly receiving stolen or plundered property, wilful destruction of or injury to property, and the attempt to commit any of the above-mentioned offences.

II. It shall also be competent to a Magistrate to impose a fine not exceeding five hundred Rupees on conviction for any offence under Section XXV Act XXVIII of 1857; and in such case, as

well as in any case in which a fine shall be imposed under the provisions of Section VIII Act XI of 1857, or of Section XVI, Section XXII, or Section XXVII Act XXVIII of 1857, or for assaults or affrays, it shall be lawful for the Magistrate to order that corporal punishment, not exceeding thirty stripes with a ratan, shall be inflicted on the offender in lieu of the fine, in case such fine be not paid. In any case in which the Magistrate shall make such order, he shall not sentence the offender to imprisonment in addition to the fine.

III. Nothing in this Act shall be deemed to authorize the infliction of corporal punishment upon any European or American or upon any female.

IV. The word "Magistrate" shall include any person lawfully exercising the full powers of a Magistrate, and also any Assistant to a Magistrate or Deputy Magistrate specially authorized by the Executive Government to exercise the powers vested in a Magistrate by this Act; and the word "European" shall include any person usually designated a European.

FROM
BRIGADIER-GENERAL FRANKS,
Commanding 4th Division.
To
COLONEL BIRCH, C. B.,
Secy. to the Govt. of India,
in the Mily. Dept.
Camp Mahomed Bagh, before Lucknow,
The 12th March 1858.

SIR,

THE Jounpore Field Force, of which I have had Command since early in December last, having recently been broken up, and incorporated with the Army under the personal Command of His Excellency the Commander-in-Chief as the 4th Division, I consider it to be due to the British Officers attached to the Goorkha portion of the force, prominently to bring their names before the Right Hon'ble the Governor General.

2. I have at all times received the most hearty co-operation from Lieutenant-Colonel Wroughton, in Military charge. His tact and management of the Goorkhas have already gained for him the thanks of the Governor General in Council, and his spirited conduct at the head of the Force at the actions of Chanda, Ameerepore and Sultanpore have been cordially acknowledged by me in my Despatch regarding these battles. I beg strongly to recommend this Officer to the particular notice of Government.

His great knowledge of the native character and language, pre-eminently fit him for a responsible situation such as he now holds.

3. Captain Steel, Staff Officer to the Force, is highly spoken of by Colonel Wroughton, and he has been mentioned favourably in my Despatch. Captain Steel has been present in nearly every engagement in which the Goorkhas have taken part.

4. The following Officers have been attached and have seen service with the different Goorkha Battalions, *viz.*, Captain Boileau, who was in Military charge of the Right Column, Captain Miles, the Left Column, and Lieutenant Smith, the Centre Column, and Lieutenants Clark, Gully, and Hay, attached to those Columns, also Lieutenant Hind, who has lately been appointed to the Force, and joined previous to the recent engagements.

Of every one of these Officers, Colonel Wroughton speaks in the highest terms as having afforded

him most efficient assistance, and I have much pleasure in bearing testimony to their worth.

5. Assistant Surgeons Paske, Wright, Garden, and Squire have, I have been informed by Colonel Wroughton, in every way upheld the good name of their profession by their attention to their duties

6. In conclusion, I have to express my great obligations to the whole of these Officers, Military and Medical, for the great and cordial assistance they have always rendered on all occasions, and I beg that their services may be brought to the notice of Government.

I have the honor to be,

SIR,

Your most obedient Servant,

T. H. FRANKS,
Brigadier-General.

P. S.—I here beg to add what I have omitted in the body of this Letter, that my acknowledgments are particularly due to Lieutenant Wemyss Smith, 58th Regiment N. I., attached to Goorkha Force, who, at the Battle of Sultanpore, acted as my Orderly Officer, and whose knowledge of the locality, resulting from his having been stationed there at the time of the mutiny, was of great assistance to me. Towards the close of the action, I detached him in charge of two Battalions of Goorkhas, who pursued a body of the retreating Enemy, and secured 3 Guns which they were endeavouring to withdraw.

T. H. FRANKS, *Brigadier-Genl.,*
Comdg. 4th Division.

SIR,

Your most obdct. Servant,
H. W. NORMAN, Major,
Depy. Adjt. Genl. of the Army.

No. 60.

FROM BRIGR.-GENL SIR J. HOPE GRANT, K. C. B.,
Commanding Division.

To THE DEPY. ADJT. GENL. OF THE ARMY.
Camp near Lucknow, 26th March 1858.

SIR,

I HAVE the honor to report for the information of His Excellency Sir Colin Campbell, that agreeably to the orders received from Major-General Mansfield, Chief of the Staff, I marched at 12 o'clock on the night of the 22nd instant with the

Major Remmington's and Captain Mackinnon's Troops of Bengal Horse Artillery.

Major Moir's heavy Field Battery.
Her Majesty's 2nd Dragoon Guards.
2nd Punjaub Cavalry.
1st do. do (Detachment).
Her Majesty's 53rd Regiment.
2nd and 3rd Battalions Rifle Brigade and 2nd Punjaub Infantry with some Sappers and Miners.

Force, as per margin, in the direction of "Koorsee;" finding it however nearly impossible to proceed with the heavy Guns across the country roads in the dark, I

halted the Column a short distance from the Cantonments until morning, it was consequently nearly 4 P. M. on the 23rd before we arrived at "Koorsee." We found the Enemy in full retreat along the Fyzabad Road. Forming up the Cavalry and the Horse Artillery, I advanced, leaving the Infantry with the heavy Guns pointing towards the village. Two Guns of the advance guard under Lieutenant Hunter, had in the mean time come into action, against a party of Rebels who were making their way out of a small ghuree on our left front, for the purpose of joining the main body on the Fyzabad Road; these were soon dispersed, and as we were clear of the village I gave the order to change front to the right, by this movement our line completely covered the flank of the retreating Enemy; a few rounds from the Horse Artillery caused them to scatter, on seeing which the 1st and 2nd Punjaub Cavalry on the left of the line under the Command of Captain Samuel Brown charged most gallantly five or six times through the Rebels, cutting up about two hundred and capturing 14 Guns, besides several ammunition waggon, 2 elephants, some camels, bullocks, and quantities of baggage.

I directed Lieutenant Manderson with 2 Guns, Horse Artillery and a Squadron of the 2nd Dragoon Guards, the whole under Command of Captain Loftus, to proceed to the support of the Punjaub Cavalry, the success was complete, achieved however at the loss of two fine gallant Officers Lieutenant MacDonnell, 2nd Punjaub Cavalry, killed, and Captain Cosserat, Commanding Detachment 1st Punjaub Cavalry, dangerously wounded.

I have to thank the following Officers for the assistance they afforded me:—

Brigadier Horsford, Commanding the Infantry, Lieutenant-Colonel Maberly, Royal Artillery, Commanding the Artillery; Captain Mackinnon and Major Remmington, Commanding Troops of Bengal Horse Artillery, and Major Moirs, Bengal Artillery, Commanding Heavy Field Battery, Lieutenants Manderson and Hunter, Bengal Horse Artillery, and Lieutenant Strange, Royal Artillery, Staff Officer to Lieutenant-Colonel Maberly; Lieutenant Colonel Briscoe, Commanding 2nd Dragoon Guards; Major Keene, Commanding the outposts, and Captain Loftus, both of the 2nd Dragoon Guards; Captain T. Browne, Commanding 2nd Punjaub Cavalry, and Captain Cosserat, and after

that Officer was wounded ; Lieutenant Mackenzie, Commanding Detachment 1st Punjab Cavalry ; Lieutenant-Colonel English, C. B., Commanding Her Majesty's 53rd Regiment ; Lieutenant Colonel MacDonell, C. B., Commanding 3rd Battalion Rifle Brigade ; Lieutenant-Colonel Percy Hill, Commanding 2nd Battalion Rifle Brigade, and Major Green, Commanding 2nd Punjab Infantry ; also Lieutenant Watson, Commanding Sappers and Miners, and Major Mollan, Major of Brigade, Captain Scott, Officiating Deputy Commissary General, and—Forbes, Esquire, Civil Service.

My own personal Staff—

Major Hamilton, Deputy Assistant Adjutant General ; Lieutenant Roberts, Deputy Assistant Quarter-Master General ; Captain the Honorable A. Anson, Aide-de-Camp, and Captain Johnson, Extra Aide-de-Camp, were of the greatest possible use to me.

I have, &c.,

(Signed) J. H. GRANT, *Brigr.-Genl.,

ACT NO. XII OF 1858.*An Act for raising funds for making and repairing roads in the Suburbs of Calcutta and the Station of Howrah.*

WHEREAS considerable sums are expended annually by Government for making and repairing roads in the suburbs of Calcutta and the station of Howrah; and whereas it is just and expedient that such expenses, or a reasonable proportion thereof, should be defrayed by the inhabitants of the said suburbs and station in the same manner as the expense of making and repairing roads in the Town of Calcutta is defrayed by the inhabitants of the said Town: and whereas a tax has been imposed upon carriages and horses kept within the said Town; and it is expedient that a similar tax should be imposed upon carriages and horses kept within the said suburbs and station: It is enacted as follows:—

I. The sums required for making and repairing roads within the limits of the said suburbs and station, except as hereinafter otherwise provided, shall be contributed by the inhabitants of the said suburbs and station and shall be recovered in the manner hereinafter provided.

II. A tax shall be imposed upon all carriages, horses, ponies, and mules kept within the limits of the said suburbs and station, as those limits are defined in Act XXI of 1857, at the rates specified in the annexed Schedule; and shall be payable quarterly by the owners or persons having charge of the same.

III. Provided that the carriages and animals hereinafter mentioned shall be exempt from the tax, namely,

IV. The Lieutenant-Governor of Bengal may appoint such person as he shall deem fit to be Collector of the carriage and horse tax in the said suburbs, and in the said station.

V. Every person, who may have owned or had what will constitute charge of any carriage or liability to the tax for a animal kept within the said whole quarter suburbs or station for any number of days in any quarter, shall be liable to the whole tax for that quarter.

VI. If a carriage shall have been under repair at a carriage-maker's for the whole period contained in any quarter, no tax shall be leviable in respect of such carriage for that quarter.

VII. The Collector, at his discretion, may compound, for any period not exceeding one year, with livery stable-keepers and other persons keeping carriages and horses for hire, for a certain sum to be paid for the carriages and horses so kept by such persons, in lieu of the rates specified in the Schedule.

VIII. Carriages and horses let out for hire and kept for the time being in premises situated within the said suburbs or station, although owned by livery

If the carriage as aforesaid be not claimed or if the fine be not paid within ten days, such carriage, together with the animals seized with it, may be sold by auction by order of the Magistrate, and the proceeds applied to the payment of the fine and all costs and charges incurred on account of the detention and sale, and the surplus (if any), if not claimed by the owner within a further period of twenty days, shall be paid to the Collector.

If the person summoned shall, without lawful excuse, fail to appear in pursuance of the summons or shall refuse to answer any lawful question of the Collector, or knowingly give an incorrect answer, he shall be liable, on conviction before a Magistrate, to a penalty not exceeding two hundred Rupees.

To

COLONEL BIRCH, C. B.,

Secy. to the Govt. of India,
*in the Mil'y. Dept.**Camp, Mahomed Bagh, before Lucknow.**The 12th March 1858.*

SIR,

THE Jounpore Field Force, of which I have had Command since early in December last, having recently been broken up and incorporated with the Army under the personal Command of His Excellency the Commander-in-Chief as the 4th Division, I consider it to be due to the British Officers attached to the Goorkha portion of the Force, prominently to bring their names before the Right Hon'ble the Governor General.

2. I have at all times received the most hearty co-operation from Lieutenant-Colonel Wroughton, in Military charge. His tact and management of the Goorkhas have already gained for him the thanks of the Governor General in Council, and his spirited conduct at the head of the Force at the actions of Chanda, Ameerepore and Sultanpore have been cordially acknowledged by me in my Despatch regarding these battles. I beg strongly to recommend this Officer to the particular notice of Government.

His great knowledge of the native character and language, pre-eminently fit him for a responsible situation such as he now holds.

3. Captain Steel, Staff Officer to the Force, is highly spoken of by Colonel Wroughton, and he has been mentioned favourably in my Despatch. Captain Steel has been present in nearly every engagement in which the Goorkhas have taken part.

4. The following Officers have been attached and have seen service with the different Goorkha Battalions, *viz.*, Captain Boileau, who was in Military charge of the Right Column, Captain Miles, the Left Column, and Lieutenant Smith, the Centre Column, and Lieutenants Clark, Gully, and Hay, attached to those Columns, also Lieutenant Hind, who has lately been appointed to the Force, and joined previous to the recent engagements.

Of every one of these Officers, Colonel Wroughton speaks in the highest terms as having afforded him most efficient assistance, and I have much pleasure in bearing testimony to their worth.

5. Assistant Surgeons Paske, Wright, Garden, and Squire have, I have been informed by Colonel Wroughton, in every way upheld the good name of their profession by their attention to their duties.

6. In conclusion, I have to express my great obligations to the whole of these Officers, Military and Medical, for the great and cordial assistance they have always rendered on all occasions, and I beg that their services may be brought to the notice of Government.

I have the honor to be,
SIR,
Your most obdt. Servant,
T. H. FRANKS, Brigdr.-Genl.,
Comdg. 4th Division.

P. S.—I here beg to add what I have omitted in the body of this Letter, that my acknowledgments are particularly due to Lieutenant Wemyss Smith, 58th Regiment N. I., attached to the Goorkha Force, who, at the battle of Sultanpore, acted as my Orderly Officer, and whose knowledge of the locality, resulting from his having been stationed there at the time of the mutiny, was of great assistance to me. Towards the close of the action, detached him in charge of two Battalions of Goorkhas, who pursued a body of the retreating enemy, and secured 3 Guns which they were endeavouring to withdraw.

Comdg. 4th Division.

XXV. It shall be lawful for the Advocate General of the East India Company at any of the Presidencies of Fort William in Bengal, Fort St. George, and Bombay, or any other person, by order of the Governor General in Council, to apply to any of the said Courts of Judicature for a rule calling upon the petitioner, his executors, administrators, or assigns, to show cause why the question of the breach of any special condition upon which the leave to file a specification has been granted, or any other question of fact on which the revocation of the exclusive privilege by the Governor General in Council under the power herein before reserved may, in the judgment of the said Governor General in Council, depend, should not be tried in the form of an issue directed by the said Court; and if the rule be made absolute, the Court, unless the breach or other matter of fact be admitted, may thereupon direct such issue to be tried, and certify the result of such trial to the Governor General in Council. The costs of such trial, and also the costs of any proceedings in any of the said Courts of Judicature under the provisions of this Act, shall be in the discretion of the Court.

as it may think just; and thereupon the petitioner, his executors, administrators, and assigns shall, so long as the judgment continues in force, cease to be entitled to such exclusive privilege.

XXIX. XXX. An exclusive privilege shall not be defeated upon the ground that there is any misdescription of the invention in the petition, unless such misdescription was fraudulent, not to defeat the privilege.

XXXI. Whenever it shall be adjudged by any of the said Courts of Judicature that an exclusive privilege as to the whole or any part of an invention has not been acquired, the said Secretary to the Government of India shall, upon the production of the judgment or order, cause an entry thereof to be made in the said book hereinbefore directed to be kept, and shall cause a reference to such entry to be made in the margin of the entry of the specification contained in such book.

XXXII. If, upon proceedings instituted within two years from the date of a petition to file a specification, the actual inventor shall prove to the satisfaction of any of Her Majesty's Courts of Judicature or of the principal Court of the East India Company having jurisdiction in Civil cases within the local limits of whose jurisdiction the defendant shall reside as a fixed inhabitant, that the petitioner was not the actual inventor, and that at the time of the petition he knew or had good reason to believe that the knowledge of the invention was obtained by himself or by some other person surreptitiously or in fraud of the actual inventor, or by means of a communication made in confidence by the actual inventor to him or to any person through whom he derived such knowledge, the Court may compel the petitioner to assign to the actual inventor any exclusive privilege obtained under this Act and to account for and pay over the profits thereof.

XXXIII. In any action for the infringement of such exclusive privilege the plaintiff shall deliver with his plaint particulars of the breaches complained of in the said action; and the defendant, in pleading thereto, shall deliver with his pleas particulars of the grounds (if any) upon which he means to contend that the plaintiff is not entitled to an exclusive privilege in the invention. In like manner, upon any application to any of the said Courts of Judicature under Sections XXIII, XXIV, or XXV of this Act, the applicant shall deliver particulars of the objections on which he means to rely. At the trial of any such action or issue, no evidence shall be allowed to be given in support of any alleged infringement or of any objection impeaching the validity of such exclusive privilege which shall not be contained in the particulars delivered as aforesaid. If it be alleged that the invention was publicly

known or used prior to date of the petition for leave to file such specification, the places where and the manner in which the invention was so publicly known or used shall be stated in such particulars. Provided, always, that it shall be lawful for any Court in which the action or proceeding is pending or in which the issue is tried, to allow the plaintiff or defendant respectively to amend the particulars delivered as aforesaid upon such terms as shall seem fit.

XXXIV. A book shall be kept in the Office of the Secretary to the Government of India in the Home Department (such book to be

open to inspection without fee) wherein every person filing a specification under this Act shall cause to be stated, under a number corresponding with the number of the specification, some place in India where service of any rule or proceeding for the purpose of cancelling or revoking his exclusive privilege may be made. All persons, partnerships, or Companies from time to time being proprietors of, or having shares or interests in, such exclusive privilege, shall cause to be entered in such book, under such number as aforesaid, their names, together with the name of some place for the service of such proceedings as aforesaid. All such rules and proceedings as aforesaid shall be deemed sufficiently served on any such person, partnership, or Company, if a copy thereof be left at the place entered in such book or (if any other place be substituted for the same by entry in the said book) at the place last substituted, by delivering the same to any person resident at, or in charge of, such place: or, if there be no person resident at, or in charge of, such place, or if such place be not within the local limits of the jurisdiction of the Court, by causing such rule or proceeding to be sent by post, by a registered letter, directed to such person, partnership, or Company at such place; and if any such person, partnership, or Company shall neglect to make or cause to be made such entry, then service of such rule or proceeding may be effected by affixing a copy thereof to some conspicuous part of the Court-House or in such other manner as the Court may direct.

XXXV. Act VI of 1856 shall be of the same force and effect in respect to every petition and specification filed under the provisions thereof before the Act was repealed, and in regard to all proceedings consequent thereon or in relation thereto, and for the purpose of every thing done under that Act while it continued in force as if previously to the passing of the said Act the sanction of Her Majesty to the passing thereof had been obtained and signified in pursuance of the Statute passed in the seventeenth year of the reign of Her Majesty, entitled "An Act to provide for the Government of India," and as if the said Act had not been repealed; save only that the term of fourteen years in Section IV of the Act first mentioned shall be computed from the time of the passing of this Act instead of from the time of filing the specification and that no exclusive privilege shall cease to have effect by virtue of the provisions of Section XVI, if the invention be put in practice in India within the period of two years from the time of the passing of this Act.

XXXVI. Every petition for leave to file a specification under the provisions Stamp on petition. of this Act, or for the extension of the term of an exclusive privilege, shall be written or printed on stamped paper of the value of one hundred Rupees.

Clerk of the Council.

Legislative Council of India.

The 24th April 1858.

THE following Bill, read a second time in the Legislative Council of India on the 3rd April 1858 and referred to a Select Committee, will be reported on (under a suspension of the Standing Orders) at the first Meeting of the Council after the 1st of June next:—

A Bill to provide for the administration of the Estate and for the payment of the debts of the late Nabob of the Carnatic.

WHEREAS by Act I of 1844 it is enacted that no writ or process shall at any time be sued forth or prosecuted against the person, goods, or property of His Highness the Nabob of the Carnatic, or of such other person as therein mentioned, unless such writ or process shall be so sued forth with the consent of the Governor in Council of Madras first had and obtained as therein mentioned; and that any writ or process which shall at any time be sued out or prosecuted against the person or goods or property of His Highness or of any such person without such consent, shall be utterly null and void: and whereas the Nabob died leaving debts and liabilities to a large amount unsatisfied, some of which were contracted by himself (and some by Ajeem Jah Bahadoor as Nabob Regent or Naib-i-Mooktar during the infancy of the late Nabob): and whereas it is doubtful whether the creditors of the Nabob have, without the consent of the Governor in Council of Madras, any remedy for enforcing their claims against the goods or property which belonged to the said Nabob at the time of his death; and especially whether any part of the property left by the said late Nabob, which was of the nature of State or Public property, can be made available for payment of such claims: and whereas the East India Company is willing to give up any right which it has to any part of such property which is in the nature of State or Public property, and to allow the whole property, real and personal, of whatever kind, left by the late Nabob, after appropriating to the payment of his debts such portion thereof as is liable to the payment thereof, to be applied towards making provision for the family and dependents of the late Nabob: and whereas the said East India Company is also willing to pay in full, to such of the creditors as shall be willing to accept the same, in the manner herein mentioned, all such debts as shall be proved to have been fairly and justly contracted by the said Nabob or on his behalf during his infancy by the said Ajeem Jah as Nabob Regent, such debts to be estimated in respect of moneys at the amounts which may be proved to have been actually advanced to or paid for the use of the Nabob, and in respect of goods supplied or other matters at the amount which shall be proved to have been the fair and actual value thereof at the time when such debts were incurred, together with interest on such debts at a rate not exceeding six per centum per annum, the property of the said Nabob being applied in the first instance for that purpose, but any deficiency therein being made good by the said East India Company: and whereas the said Nabob is alleged to have mortgaged and created divers liens and securities upon cer-

tain portions of his property, of which or some of which the validity and extent of operation, especially as against the creditors of the said Nabob, is doubtful, and it may also be doubtful whether the same can be enforced in any of the ordinary Courts of Justice; and it is expedient that provision should be made for giving effect to the said mortgages, liens, and securities so far as the same shall have been created *bona fide* and for valuable consideration, and for affording a simple mode of ascertaining the rights of the parties claiming under such mortgages, liens, and securities: and whereas it is also alleged that various conveyances, deeds, and instruments have been executed by the late Nabob without valuable consideration in favor of persons who have under color thereof executed or created mortgages or assignments of, or securities or liens on the property comprised therein: and whereas it is expedient that provision should be made for investigating all such claims, and for protecting the *bona fide* creditors of the said Nabob from the effect of any conveyances executed by the Nabob under such circumstances as rendered them void as against such creditors, and for affording a simple mode of ascertaining the rights of the parties claiming in respect thereof as well as of parties claiming to be creditors of the Nabob: It is enacted as follows:—

I. The Governor in Council of Madras shall immediately after the passing of this Act, appoint such person as he may think fit to act under the orders of the Supreme Court of Judicature at Madras in the administration of the property of whatever nature left by the said late Nabob. The person so appointed shall be designated "The Receiver of the Carnatic property," and shall have power to collect and take possession of such property, and shall hold the same according to the provisions of this Act.

II. The said Receiver shall be entitled to receive such a commission, not exceeding five per centum upon the amount or value of the property collected by and distributed under the provisions of this Act, as the said Governor in Council shall appoint, which commission shall be charged to the estate.

III. The Governor in Council of Madras shall have full power to suspend or remove any person appointed such Receiver as aforesaid, and also from time to time to fill up any vacancy in such office which may be occasioned by death, retirement, suspension, or removal.

IV. Such Receiver shall represent the estate of the said late Nabob in all proceedings relating thereto under this Act or otherwise, and shall do and perform all acts in performance of his duties or office under his official designation, and in all proceedings whether at law or in equity he shall be so styled and designated; and no proceedings in which the Receiver may be a party shall abate by reason of the death, retirement, suspension, or removal from office of any such Receiver, but the same shall be continued and carried on as if no such death, resignation, suspension, or removal had accrued.

V. The Receiver shall have full power to collect, take possession of, and get in all property, moveable or immoveable, belonging to the said late Nabob at the time of his death, and if necessary to sue for and recover the same in his own name as representing the said estate of the said Nabob under this Act, and to realize by sale or otherwise the value of the said property; and he shall proceed to collect, take possession of, and realize the same with all convenient speed immediately after the passing of this Act.

VI. Upon a suit being instituted as herein-
after mentioned, the said Receiver shall be deemed subject to the orders and general practice of the said Court in the same manner as any other Receiver specially appointed by the said Court, except that he shall not be called upon by the said Court to give security.

VII. It shall be lawful for any creditor or person interested in the proper administration of the estate and effects of the said Nabob, to apply for and obtain in a summary way, in the manner provided by Act VI of 1854, upon a summons to be served upon the person appointed Receiver, an order for the administration of the estate and effects of the said Nabob; and such order, in addition to the ordinary directions contained in the usual order for the administration of the moveable and immoveable estate of a deceased Mahomedan, shall direct that all creditors who may hold any mortgage or security upon any part of the estate or effects of the said Nabob shall come in and prove their claims and establish their securities and the consideration for the same, or in default thereof that they shall be barred and excluded from all benefit of their said securities; and the said Court shall also by the said order give such directions as to the notices to be issued to such creditors and otherwise, and shall direct such enquiries as to the Court shall seem fit.

VIII. Upon such order being made, the Court shall take an account of all debts and liabilities which were due from the said Nabob at the time of his death, and also of all the estate and effects of the said Nabob liable and available for the payment of such debts and liabilities; and shall also determine whether any and which of the said creditors had any and what mortgage or security upon any and what portion of the property of the said Nabob and for any and what consideration or amount, and whether such mortgage or security constituted a valid charge upon the whole or any and what portion of the property included therein.

IX. Every creditor of the said Nabob, who shall not come in and establish his claim under and according to the said order, shall be barred from all benefit of the said claim; and all persons who may hold or claim under any mortgage or security executed by the said Nabob or on his behalf, or upon any property whatsoever which belonged to the said Nabob in his lifetime, who shall fail

to come in and establish the same or the consideration for the same under and according to such order, shall be barred from all benefit of such mortgage or security: and the said Court may order the property affected thereby to be delivered up to the said Receiver.

X. In case it shall appear to the satisfaction of the Court that there is good reason to believe that any conveyance or other instrument executed by the said late Nabob in his lifetime was executed under circumstances which rendered the same void as against creditors, the said Court may, at any time pending the suit, order the person or persons claiming under such conveyance or instrument to come in and establish his claim under the same; and in default of compliance with the said order, the said Court may declare the said conveyance or instrument to be void as against the creditors of the said Nabob, and may order the property thereby conveyed to be delivered up to the said Receiver.

XI. No action or suit shall be commenced or prosecuted by any creditor of the said Nabob against any person as the representative of the said Nabob, otherwise than in accordance with the provision of this Act; and all actions and suits, which at the time of the commencement of this suit shall be pending at the suit of any such creditor against any person as representative of the said Nabob, shall abate; the costs of such suit, if the said Court shall consider it reasonable, to be paid out of the assets of the said late Nabob.

XII. Any person claiming to be a creditor of the said late Nabob, who within the period of three months from the passing of this Act shall file in the Office of the Master of the said Supreme Court a written declaration stating that he is willing to receive in full discharge of his debt such amount as shall be ascertained by the said Supreme Court to have been justly and fairly due to him from the said late Nabob at the time of his death and to remain unpaid (such amount to be estimated in respect of moneys at the amount which shall be proved to have been actually advanced to or paid for the use of the said Nabob, and in respect of goods supplied or other matters at the amount which shall be proved to have been the fair and actual value thereof at the time when such debts were incurred) together with such interest (if any) not exceeding the rate of six per centum per annum as shall be awarded by the said Court; and that he is willing to give up any mortgage or security which he may hold upon any part of the property of the said late Nabob—shall be entitled, upon giving up such mortgage or security to the said Receiver, to have the amount of his claim ascertained by the said Court in manner hereinafter mentioned.

XIII. The said Court, upon the application of such creditor, shall appoint a day for ascertaining the amount of his debt, and reasonable notice of the day so appointed shall be given to the Chief Secretary to the Government of Madras.

XIV. Upon every investigation under Section XV of this Act, the East India Company may appear by Company may appear and Counsel on such investigation. be heard by Counsel.

XV. Upon the day so fixed or upon any other day to which the Court may think fit to postpone the investigation, the Court shall proceed to ascertain and determine in a summary way what sum was due from the said Nabob at the time of his death to the claimant. Provided that,

Proviso. in fixing the amount of any debt or claim under the provisions of this Section, the said Court shall not allow to any person claiming to be a creditor, in respect of money lent or advanced, any larger sum than the amount proved to have been actually advanced, together with simple interest thereon not exceeding the rate of six per centum per annum, notwithstanding any higher rate of interest may have been agreed to be paid; and that the said Court shall not allow to any person claiming to be a creditor, in respect of goods supplied or of any other matters, any larger sum than the amount which shall be proved to have been the fair and actual value thereof at the time when such debt was incurred, without reference to the price or sum which may have been agreed to be paid for or in respect thereof, together with simple interest thereon not exceeding the rate aforesaid, if the Court shall consider that the claimant is entitled to recover interest. If it shall appear to the said Court that the said debt remains due, the said Court shall issue an order for the payment of the amount so ascertained to be due, together with such interest thereon (if any) not exceeding six per centum per annum as the said Court shall consider that such creditor is fairly and justly entitled to recover. The Court may also, if it consider it reasonable so to do, order the costs of proving such debt to be paid out of the estate of the said late Nabob.

XVI. The amount ascertained by the Court to be due to the claimant upon Amount found due the investigation under the last preceding Section, together with such interest and costs (if any) as shall be awarded by the Court, shall be paid to the claimant by the said Receiver within ten days after a copy of the order of the said Court shall have been served upon him. In case no sufficient assets belonging to the estate of the said late Nabob shall be in the hands of the Receiver to enable him to pay such amount, the same shall be forthwith paid out of the public Treasury of the East India Company. The amount so found due to such creditor as aforesaid for principal and interest shall be treated as a debt due to such creditor in taking an account of the debts and liabilities and of the estate and effects of the said Nabob in such administration suit as aforesaid.

WAR OFFICE,
18th December 1857.

SIR,
The Secretary of State for War having, with the concurrence of the Court of Directors of the East India Company, decided that instead of the Savings' Bank Accounts of a Regiment proceeding to the East Indies being closed in the manner prescribed by Article 35 of the Circular, No. 1151, dated 2nd January 1854, the operations of the Bank shall not be suspended, but that the Bank should continue open until the transfer to the Government Sav-

vings' Bank in India can be there effected by the Commanding Officer of the Regiment. I am directed by Lord Panmure to acquaint you, that instructions have been accordingly issued to the several Governments in India, desiring that, upon the Commanding Officer or the Regiment furnishing to the Presidency Paymaster a list of the Savings' Bank Balances, with interest adjusted to the last day of the preceding month, together with a bill drawn on Her Majesty's Paymaster General (Army Account) for the amount, a corresponding sum may be placed to the credit of the several men in the Government Savings' Bank.

You will, therefore, be pleased, in conformity with this arrangement, to cause the Savings' Bank Accounts of the Regiment under your Command to be made up as soon as conveniently practicable, after the Corps shall have landed in India, and forwarded to this Office, giving your bill to the Presidency Paymaster for the amount of the balances, which should, of course, precisely agree with the total sum due to the several Depositors according to the general abstract accompanying the final Savings' Bank Accounts to this Department.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL

As the promotion of Général Officers of the Company's Service to fill vacancies on the fixed establishment of each grade is, in accordance with the practice in Her Majesty's Army, to be dated the day succeeding the Casualty by which the vacancy is created, it becomes necessary, to ensure uniformity, that the promotions of all Officers made in India should also bear date on and from the day succeeding that on which the vacancy occurred.

Hussun had issued his orders for his Force, hitherto divided at Waree and Chanda, to be concentrated at the latter place, by the evening of the 19th February.

3. At 6 A.M., however, of that day, the Force under my Command marched from Singramow, in the following order:—the Advance Guard composed of the whole of our small party of Cavalry, of 240 selected Marksmen, of the three British Regiments and four Horsed Guns, under Lieutenant-Colonel Longden, 10th Regiment, was followed by the British Brigade, under Brigadier Eveleigh, C.B., and by the six Battalions of Goorkha Infantry, under Colonel Pulwan Singh, in column of route. The rear and baggage guards, consisting of five Companies of the 10th, 20th and 97th Regiments, and of three Companies of Goorkhas, with two Horsed Guns, under Major Radcliffe, 20th Regiment, closed the rear.

4. On reaching Koereepore, I learnt through spies, that the Enemy in possession of "Chanda," under the Chuckledar Bunda Hoosain, numbered 8,000 men; of whom 2,500 were Sepoys of the 20th, 28th, 48th and 71st Regiments N.I., and that the Nazim Mehundee Hussun was still at Waree, eight miles distant in a Southerly direction with 10,000 Men and 11 Guns. The junction of his Forces was therefore still incomplete, and I determined to attack him before it could be effected.

5. Halting the force out of fire, I reconnoitred the Enemy's position.

"Chanda" is a large village, at the South-eastern angle of which are a considerable mud Fort and a Serai, both of great height, and loopholed for musketry. Round the village, Fort and Serai, a breastwork had been thrown up, and a ditch excavated, and six pieces of Artillery were placed in position in it and on its left. The principal strength of the position consisted in the close and high cultivation surrounding it on three sides, and, rendering approach most difficult.

6. My reconnoisance being complete, at 11 A.M., I attacked in the following order:—The Marksmen were extended in skirmishing order out of range of the Enemy's Artillery; then advancing to 700 yards, they opened fire, which was immediately replied to by the Guns opposed to us.

Having thus drawn the Enemy's fire, and ascertained the position of his Artillery, 8 of our light Guns were brought up at a gallop, supported as quickly as possible by the two 18-Pounders.

Meantime, the main body followed in contiguous quarter distance columns, at deploying distance; the British Brigade in the centre, three Regiments of Goorkhas on the right, and three on the left; the Cavalry divided and covering the flanks; Captain Thring's four 9-Pounder Bullock Guns accompanied the Infantry in the centre. As they advanced into the Plain, these columns deployed into line.

7. The skirmishers and light Guns now gradually moved forward, the Enemy retiring before them, the Goorkhas threatening the flanks, and the British Brigade advancing in support in the centre.

In this manner the Force soon drove the Enemy before it, carried the position and captured 6 Guns, following the Rebels through and past the village.

When the exhausted skirmishers could no longer reach the Enemy, two of Major Cotter's Guns, and the Cavalry* galloping to the front, acted with great effect; the Cavalry charging and cutting up a number of the Rebels, and the Guns following them with a destructive fire, till the dense thickets which bordered the plain forbade further pursuit.

8. The Force was then halted on the right of the road, three miles beyond "Chanda."

9. Suspecting the Nazim to be now on the move from Waree on the left, I detached the Cavalry under Lieutenant C. N. Tucker, 8th Bengal Light Cavalry, and 2 Guns of Captain Middleton's Battery to watch that flank: while the Troops, fatigued by great heat and rapid movement, gained time to rest and refresh themselves, and liquor and cooked provisions were issued to them. The captured Artillery was also meanwhile collected.

10. When this had been accomplished, we took ground to the left across the road to the village of Amereepore, the better to cover the march of our baggage, and to meet the Enemy should he advance.

Later in the day, near sunset, when all hopes of his approach seemed at an end, and while the ground for encampment was being taken up, the Enemy appeared on our left front.

11. The Force immediately changed front, and attacked in the same order as in the morning.

12. The Naizm having suffered severely on his right, which was exposed in the open plain to our Artillery and Rifle fire, sought shelter in some thick mango groves to his left: thus endeavouring to work round my right, and bringing an 18-Pounder into action at a distance. But this attempt was speedily checked by the three Battalions of Goorkhas on that flank, who, under Colonel Pulwan Sing advanced, fired, and charged driving the Enemy before them.

13. The complete state of preparation in which the Nazim found us, when he had anticipated coming unexpectedly on our left rear, took him by surprise. The heavy fire with which he was received completed his discomfiture, and caused his almost immediate retreat in disorder towards Waree; his Guns having never been closely engaged, with the exception of the 18-Pounder before-mentioned. The lateness of the hour and his rapid flight alone, saved his Artillery from capture.

14. Thus terminated the action at an hour after dark: and the Force bivouacked on the ground it occupied at the close of the day. I estimate the Enemy's loss in these two actions to have been upwards of 800 killed and wounded.

15. On the 20th I remained halted; as the baggage, delayed by difficult ground, only arrived late on that day.

During this time the Enemy remained at Waree; my flank movement and his defeat at Amereepore, having thrown him off his direct line of retreat to Lucknow.

Report, however, tended to show that he contemplated making a wide circuit by our left, and occupying the strong jungle pass, position, and Fort of Budhyan nine miles in our front: which if stoutly defended, would have considerably delayed my progress.

But as he was kept in a state of uncertainty as to whether I might not attack him in front at Waree, or in flank if he should march towards Budhayan, to which place I was nearer than he, he deferred this movement till mine should be more distinctly defined, keeping his Troops constantly under arms watching mine.

16. At day-break on the 21st, drawing up my Force in order of battle as if to march on Waree, I allowed the whole of my baggage to file away past my right rear towards Lumbooaah,-- the village of Roostum Suhia, a friendly Zemindar, who had shown that he was well affected towards the Government by the collection of supplies, and by safely escorting the bridge-of-boats from Singramow.

17. It having been given out that the Force would halt at Lumbooaah, the Nazim, whose spies closely watched every movement, thought that he would still be in time to anticipate me at Budhayan.

But I pushed the baggage rapidly through the village of Lumbooh, and when this had been effected my advance guard under Lieutenant-Colonel Longden, withdrawing unperceived from Amerepore, overtook and headed the baggage, followed gradually by the whole Force which, by a rapid movement, seized Budhayan and occupied its Fort.

18. The Nazim thus missed his opportunity. He had been deceived as to my intentions sufficiently long to allow of the safe progress of my encumbrances though the defile of Budhayan, and had finally been forestalled in the possession of that strong position.

19. Five Companies of Goorkhas were thrown into the Fort, and six British Companies and two Guns posted on the Nullah which runs under it, assured the main Force encamped two miles in advance against attack on left flank or rear.

20. During the 22nd, I remained halted to allow the expected re-inforcements of Lahore Light Horse and Pathans to overtake me. In the course of this day the Nazim with the remnants of his Force, reached Badshahgunje two miles beyond Sultanpore, where he took up a position in the old Cavalry and Police Lines, and was joined by the fugitives from Chanda, by the whole of the mutinied Sepoys and Oude Irregulars of this District, and by the remains of the 7th Light and 12th and 15th Irregular Cavalry, the latter under Shabodeen Khan, late a Ressaldar in the last named Regiment, and who had Command in the mutiny at Sultanpore. The Infantry was Commanded by the Rajah Hussen Ali Khan, of Hussunpore, assisted by his son and by Rhowani Sing, late Subadar of Infantry. The whole Force was under Mirza Guffoor Beg, a General of Artillery under the Old King of Oude, re-instated in his rank by the present Rebel Government, and sent from Lucknow specially to take this Command.

21. The Rebel Force, numbering 25,000 Men, of whom 5,000 were Sepoys and 1,100 Cavalry, with 25 Guns, occupied a position, a sketch of which accompanies this Report, and which was drawn by Lieutenant Innes, Assistant Field Engineer, from information furnished by Lieutenant Smith, 58th N. I., attached to the Goorkhas, and by Lieutenant Tucker, 8th Bengal Cavalry, who were stationed at Sultanpore at the time of the mutiny. On this plan, drawn up before the ac-

tion, my operations were based. The position may be described as follows:—

22. A deep and winding ravine runs into the Goomtee, behind which the Enemy's line was posted in a plain, his left resting on the Sultanpore Bazar, the centre placed behind the ruined lines of the Police Battalion, and the right covered by a range of low hillocks in advance of the village and strong masonry Serai of Badshahgunje. This position is about a mile and a half in length. The direct road from Sultanpore to Lucknow intersects it at right angles, and on this, at the point where it crosses the Nullah, the Enemy's principal Battery was directed.

His other Guns were distributed along the position, three being posted in the village near the Bazar and Temple on his extreme left, and six in the Serai and village of Badshahgunje and to its right.

23. Marching at 6 A. M. from my ground in front of Budhayan, in the same order as in the 3rd paragraph of this Report, on arriving within a mile of the village of Loramow, my Cavalry caught sight of the Enemy's outposts: on which I formed my Force in order of battle, the front being covered by the 240 selected Marksmen of the British Brigade, and eight Horsed Guns under Lieutenant-Colonel Longden, 10th Foot, the Guns being 100 paces in rear of the skirmishers. The two 18-Pounders advanced in the centre along the high roads which runs through the Enemy's position. The British Brigade was formed in contiguous quarter distance columns at 25 paces interval, supported in second line by the 6 Battalions of Goorkhas, in quarter distance columns at deploying distance.

24. Moving through the village in this order, till fully in sight of the Enemy's picquets, who thus concluded that our advance would be, as they wished directly down the high road, I advanced with the Benares Horse under Captain Matheson, and the Detachment of 25 mounted Men of Her Majesty's 10th Regiment, under Lieutenant Tucker, and drove in the Enemy's outposts beyond the Nullah, and through a thick belt of trees which concealed their Force from ours.

Having done this, leaving the Benares Horse to prevent their outpost from again reconnoitering us, I moved with the Mounted Detachment to the left to examine the head of the Nullah which I felt convinced disappeared in the plain: and this proved to be the case, for my search found a point where the road from Allahabad crosses it where the Troops and heavy Guns could pass the ravine out of reach of the Enemy's fire. Some rising ground here gave me a good view of the Rebel position, and ascertaining that it might be turned by its right, I ordered the whole Force to take ground obliquely to its left.

25. My Baggage and Rear Guards under Lieutenant-Colonel Turner, C. B., 97th Regiment, were halted in rear of the village of Loramow, where the road to the station of Sultanpore branches off from the road to Lucknow.

The movement of the Force, unperceived for a long time by the Enemy, brought it round his right completely out of fire; the shot from his heaviest Guns, when he at length caught sight of our flank march, falling far short of our columns.

26. The skirmishers, who had been moving in file to flank, covering this movement, now turned to the front, and, with the light Guns closed on the

Enemy's position, the whole Force advancing in two lines in their rear, on the right flank of the Enemy, who, disconcerted by being thus turned was compelled to change the position of his heavy Guns, most of which it rendered useless. The left of my Force now came on the high road to Lucknow, dividing the Enemy's line, a part of which at once retreated along that road, taking with them the 4 Guns which had been on their extreme right.

My right now rested on the Nullah, and the left beyond the village of Badshahgunje.

27. The left, circling gradually forward, drove the Enemy from the different points of his position placing him with his back to the deep Nullah before described, (which here made a bend round his rear) and entirely cutting him off from his line of retreat. Finally, his central Battery of 5 heavy Guns was captured after an obstinate resistance, the Gunners standing by their pieces and serving them to the last.

The body of Hussun Ali's son was here found amidst slain, and the State palanquin of the Nazim lay in its neighbourhood.

28. After these Guns fell into our hands, the Enemy fled in all directions, escaping across the deep ravine in his rear. Three Guns and a considerable body, still retaining some formation, retired towards the station of Sultanpore, near which, taking post about a temple and in a thick grove, they continued to fire till finally driven from their Guns by two Regiments of Goorkhas.

29. The action was now at an end : the plan beyond the ravines was every where covered with fugitives, whom my want of Cavalry precluded my pursuing, and the ravines prevented the further advance of the Guns. Two Guns of Captain Middleton's Battery, and the small detachment of British Horse, however, continued the pursuit for nearly two miles along a comparatively open strip of land, and overtook and captured in a ravine 2 Guns which the Enemy had succeeded in withdrawing so far.

30. Halting the main body of the Force to cover the collection of the captured Ordnance, I pursued that portion of the Enemy, which had retired by the Lucknow road, for four miles with the 20th and 97th Regiments, and four Battalions of Goorkhas ; and the amounted Soldiers of the 10th, under Lieutenant Tucker, followed these Guns for nine miles ; but so precipitate had been the Enemy's flight that they were unable to come up with them ; but some ammunition waggons and much baggage fell into our possession.

31. Thus ended the battle of Sultanpore, in which, with only 11 Casualties on our side, an Army of about 25,000 Men was driven from a position of great strength, and scattered to the winds, with the loss of 1,800 men killed and wounded, and leaving 21 Guns, 9 of them of seige calibre in our hands.

32. I am full of gratitude for the achievement of these great results with so trifling a loss of life.

The effect has been to open the road to Lucknow for the unopposed march of this Force, as well as for that of the Maharajah Jung Bahadur,

who has taken this route, instead of that of Fyzabad, as he originally intended.

33. The Force halted after the action at Badshahgunje ; where it was joined the same evening by the Lahore Light Horse, and Pathan Horse under Captain Balmain. Next day was employed in the destruction of the whole of the captured Artillery, for which I had no means of transport and of the stores of ammunition and material for gun-carriages, which were found in the town of Badshahgunje, where the Nazim's gun-carriage manufactory appears to have been situated. On the evening of the 24th, the 3rd Seikh Horse, the remaining portion of the Cavalry, detached by His Excellency, reached me.

34. On the 25th, in compliance with the telegram from the Chief of the Staff received the previous night, the Force resumed its march, reaching the same day Moosafirkhana, 20 miles, and on the 26th Jugdespore, 16 miles, where it was found absolutely necessary to halt on the 27th, to give the cattle rest.

35. By the 28th February, I reached Hydurgurh, 16 miles, and on the 1st March halted at Selimpore, 18 miles from Lucknow : thus arriving as directed by His Excellency, within one march of that City on that date.

36. In this day's march occurred one of the most dashing Cavalry combats I have ever heard of.

Captain Aikman, Commanding the 3rd Seikh Cavalry, on the advanced picquet with 100 of his Men, having obtained information just as the Force marched on the morning of the 1st, of the proximity, three miles off the high road, of a body of 500 Rebel Infantry, and 200 Horse, with 2 Guns, under Moosahib Ali Chuchledar, attacked and utterly routed them, cutting up more than 100 Men, capturing the Guns, and driving the survivors into and over the Goomtee.

This feat was performed under every disadvantage of broken ground, and partially under the flanking fire of an adjoining Fort.

I regret to add, that Lieutenant Aikman received a severe sabre cut in the face : which will not, I trust, long deprive me of the services of so enterprising an Officer.

37. On the evening of the 1st, the Force having made a march of eighteen miles, encamped on the Nullah of Selimpore ; with the Goomtee half a mile on its right. The town of the same name was abandoned by the Enemy at the first sight of our Cavalry, though the strong earth-works surrounding it, which must have been for weeks in course of construction, might have been expected to encourage them to withstand our advance.

38. Immediately on my arrival at Selimpore at 7 P. M. on the 1st March, I reported the circumstance by Cossid for his Excellency's information, and solicited further instructions. A duplicate of this Report was despatched by a second runner in the forenoon of the 2nd.

On the evening of the 3rd a messenger from Captain Bruce, Deputy Quarter Master General of the Army, brought me an order to advance on Lucknow.

39. Accordingly, on the 4th at 6 A. M., I marched from Selimpore, and reached without opposition a mosque a mile beyond the town of Ameythee, eight miles from Lucknow.

40. Here intelligence was brought that a large body of Rebels with 2 Guns were posted in and round the Fort at Dhowrara, two miles to the right of the road, and situated in very difficult ground amongst ravines which run into the Goomtee.

I had hitherto passed such Forts when situated at a distance from the road without taking any notice of their Garrisons, who almost universally evacuated them when left in rear of our Force.

But being apprehensive that this party, if left unmolested, might annoy my long train of baggage, I resolved to drive them out.

41. The main column under Brigadier Evelegh, C. B., moved on a mile further on the road to Goorsahegunje, where it halted; while with the two Horse Artillery Guns of Lieutenant-Colonel D'Aguilar's Troop under Lieutenant Arbuthnot, a Squadron of 9th Lancers and some Seikh and Pathan Horse, the whole under Captain Coles, 9th Lancers, I examined the Fort. About 500 Rebels originally occupied it, while nearly 3 000 were collected in its vicinity, most of whom fled down the ravines and escaped over the river when they saw our Cavalry circling round their flanks: 200 however fell back and prepared to defend it.

42. The Enemy having opened fire on our approach from 2 small Guns, the two Horse Artillery Guns were brought into action at 600 yards, the Native Cavalry threatening the Enemy's flanks and the 9th Lancers being held in reserve well out of fire. The Guns were subsequently moved up successively to 400, 300 and 200 yards, but though they silenced the Enemy's Artillery fire, they failed in putting down that of the matchlockmen securely posted behind the parapet.

43. I therefore ordered up a Company of Marksmen from each British Regiment under Lieutenant-Colonel Longden, 10th Foot, and two 24-Pounder Howitzers of Major Cotter's Madras Battery; after a few rounds from which the outer enclosure of the Fort and the Guns mounted there were abandoned. But a sharp matchlock fire was

still kept up from the loopholes which every where pierced the keep into which the greater part of the defenders had retired. The Company of the 10th Foot was now extended in a meadow on the river side of the Fort, and closed on it in that direction, while the Companies of 20th and 97th attacked it from the South-east. A few of the assailed, seeing themselves on the point of being surrounded, rushed out of the Fort, and attempted to escape up one of the ravines, but after a desperate resistance they were despatched by the Native Cavalry posted watching every outlet..

44. The Companies of the 20th and 97th now effected an entrance, gallantly headed by Captain Middleton, 29th Regiment, and Ensign Elton, 37th Native Infantry, attached to 10th Foot, and bayonetted about 120 of the occupants.

45. But a report was now brought from Brigadier Evelegh, that considerable bodies of the Enemy were hovering on his right front, and that he had disposed the Force to meet them.

46. Repeated attempts having failed to break down the door of a house in which the survivors had barricaded themselves, the shot from one of their own Guns which we turned against it, making no impression on the massive gate, a fire kindled against it having no effect, and my only Engineer Officer, Lieutenant Innes, having been severely wounded while trying to burst open the entrance, I determined to withdraw from the place. The Guns having fallen into our hands, I considered it unnecessary to risk a further loss of life, and of time, especially as it was now represented that my presence was required with the Force. I accordingly drew off the Infantry; carrying with us the 2 captured Guns, whose removal was accomplished under the heavy matchlock fire which the Enemy continued to pour from the loopholes, principally by the personal labour and exertions of Lieutenant-Colonel Maberly, R. A., and his Quarter-Master Lieutenant Strange, R. A., of Captain Middleton, H. M.'s 29th Regiment, Provost Marshall to the Force, of Major Chichester, and Lieutenants Morgan and Gould, 97th Regiment, and Lieutenant Bradford, Madras Artillery.

47. I regret to add that Lieutenant Percy Smyth, 97th Regiment, a most brave and promising young Officer, here received a musket ball through the abdomen, from the effects of which he died the same night.

48. Galloping to the main body, I found that the alarm of attack had been caused by the appearance of a body of Horse, who had however fallen back towards the City.

The Force resuming its march, reached his Excellency's Camp without further interruption, the same evening.

49. It now becomes my pleasing duty to enumerate the Officers to whom I am indebted for their cordial support during the operations above described. Brigadier Evelegh, C. B., Commanding the British Brigade, and Lieutenant-Colonel

Wroughton, in Military charge of the Goorkhas, deserve my warmest acknowledgments of the prompt and able manner in which they have seconded me in the three actions of Chanda, Amereepore, and Sultaupore. The Officers on their respective Staff, *viz.*, Captain A. B. Johnson, 5th Regiment N. I., Brigade Major, British Brigade, Ensign Burne, 20th Regiment, Brigade Quarter-Master, and Captain Bennett, 20th Foot, Orderly Officer to Brigadier Eveleigh, and Captain Steel, 17th N. I., Staff Officer to the Goorkha Force, are mentioned by the Officers under whom they serve as having rendered them every support in their several positions.

50. Lieutenant-Colonel E. Maberly, R. A., Commanding the Artillery of the Force, by his un-wearied exertions and able performance of the arduous duties of organizing and superintending the Ordnance Park under circumstance of great difficulty, has earned my best thanks ; and he has set a brilliant example to the Officers of his Arm in the Field in the different actions in which he has been present. Lieutenant-Colonel Maberly speaks in high terms of the Staff Officers attached to him ; Lieutenants Smart and Strange of the Royal Artillery.

51. To Lieutenant-Colonels Fenwick, Lys and Ingram, Commanding respectively the 10th, 20th and 97th Regiments, I have to record my thanks for the skilful and spirited manner in which they invariably led their Regiments.

Lieutenant-Colonel Longden, 10th Foot, is an Officer second to few in Her Majesty's Service in attainments and experience ; and I specially selected him on all occasions to Command my advanced Guard of Marksmen and light Guns, a duty invariably performed by him with an intelligence and gallantry not to be surpassed.

52. To Colonel Pulwan Singh, Commanding the Goorkha Force, I am under great obligations for his hearty co-operations ; and he has been well supported by his Lieutenant-Colonels Shumshere Sing and Indra Sing, and by the Senior Major Chumpha Sing. The steadiness and intelligence of the Nepaulese Troops under these excellent leaders have been the subject of general admiration, and I have had occasion specially to allude to the conduct of the right Brigade in the action of Amereepore.

53. Major Cotter, Commanding a Battery of Madras Artillery ; Captain Middleton, Commanding his own Battery of Royal Artillery ; Captain Thring, Commanding a Battery of 9-Pounders, and Captain Waller, R. A., in charge of two 18-Pounders, rendered most efficient service by the masterly way in which they handled their Guns. Lieutenant Simeon, Bengal Artillery, Commanding two Bullock Guns, and Lieutenant Percival, Bengal Artillery, Deputy Commissary of Ordnance, have merited my approbation.

54. Lieutenant T. T. McLeod Innes, Assistant Field Engineer, has been of the greatest assistance to me with his professional aid. I have already

mentioned his distinguished conduct at the attack on the Fort of Dhowrara. It is now his due to relate that at the action of Sultanpore, far in advance of the leading skirmisher, he was the first to secure a Gun which the Enemy were abandoning. Retiring from this, they rallied round another Gun farther back, from which the shot would in another instant have ploughed through our advancing columns, when Lieutenant Innes rode up unsupported, shot the Gunner about to apply the match, and remaining undaunted at his post, the mark for a hundred matchlockmen, sheltered in some adjoining huts, kept the Artillery Men at bay, until assistance reached him. For this act of gallantry, surpassed by none within my experience, it is my intention to recommend him for the honorable distinction of the Victoria Cross.

55. The Cavalry was Commanded at Chanda by Lieutenant Tucker, 8th Light Cavalry, at Sultanpore, by Captain Matheson, late 13th Irregular Cavalry, and the excellent services of these Officers are duly appreciated by me. The 1st named Officer made a most dashing charge at Sultanpore with the 25 mounted Men of H. M.'s 10th Regiment, and killed numbers of the Enemy.

56. Lieutenant Cary, 37th Regiment Native Infantry, in charge of the Treasure Chest, and Captain Middleton, H. M.'s 29th Regiment, Provost Marshall, invariably accompanied me in the Field, and were most useful in carrying orders. The latter Officer has already been mentioned as actively instrumental in withdrawing the captured Guns at Dhowrara, and throughout the time he has been with the Force he has displayed in no small degree activity, intelligence, and daring.

57. The Medical arrangements of the Force under Surgeon C. A. Gordon, M. D., 10th Foot, have met with my entire approval, and the Commissariat Officers, Lieutenant Chalmers, 53rd Native Infantry, Lieutenant H. R. Wroughton, 40th Native Infantry, and Lieutenant Bolton, 50th Native Infantry, have been most assiduous and successful in the discharge of very arduous duties, as has Lieutenant Rawlins, 17th Madras Native Infantry. Baggage Master, Messieurs Lind, Jenkinson and Venables, Civil Service, accompanied the Force in the action at Chanda and Amereepore. In the former action Mr. Venables, charging the flying Enemy with the Cavalry, with whom he did good service, received a severe spear wound through the thigh.

58. Mr. P. Carnegie, Special Commissioner with the Force, and head of the Intelligence Department, has rendered me most valuable aid. His information regarding the Enemy has proved so correct, that on it alone the whole of my operations might have been planned : he has always accompanied me in the Field and assisted in conveying orders under the heaviest fire. To his knowledge of the locality and skilful guidance is to be principally attributed the capture of the 2 Guns which I have mentioned in the 29th paragraph of

this report as having been overtaken by Captain Middleton, R. A.

59. To the Officers of my personal Staff my best thanks are due.

Captain Havelock, 18th Royal Irish, late 10th Foot, Deputy Assistant Adjutant General, merits my special acknowledgments. On my appointment to this Command in December last he hastened to join me, though still suffering from severe wounds received at Lucknow.

Since then his great intelligence, unwearied energy, and devotion to his duties, have won him the admiration of every one in this Force.

60. Lieutenant J. Wall, 87th R. I. Fusiliers, Deputy Assistant Quarter Master General, and my Aide-de-Camp Lieutenant H. Henderson, 10th Foot, have afforded me the most zealous and efficient support in their respective positions, and I beg to commend them to the favorable consideration of His Excellency the Commander-in-Chief.

61. I should be committing an injustice were I to omit to mention the Officers who Commanded the Rear and Baggage Guards of my Force; Lieutenant-Colonels Turner, C. B., Legh, and Burton, of the 97th, Majors Radcliffe and Butler, of the 20th, Chichester, of the 97th Regiment, and Pennywick, R. A. To the strict performance of most unattractive duties by these Officers, not less than the patient endurance of exposure by day and night of fatigue and hunger by the Men under their Command do I owe the fact, that not one single article of Baggage nor one animal has fallen into the hands of the Enemy.

To estimate correctly the value of these services it must be recollect that a train of upwards of 2,000 carts, drawn in many instances by very inferior cattle, has been safely conducted, most of the

time, without any aid from Cavalry, over roads often unbridged and nearly impassable, and through a country swarming with a hostile population. Amongst these Officers, Lieutenant-Colonel Turner, C. B., 97th Regiment, claims my special commendation for his masterly disposition of his Rear and Baggage Guards at the village of Loramow during the battle of Sultanpore.

On the splendid discipline, firm constancy and dashing courage displayed by this Force, both Officers, and Men, it is needless for me to dilate; the results they have gained will speak, for themselves. Suffice it to say that it has marched 130 miles, has beaten an immensely superior Enemy in

* Including 3 captured at Nusupore, on 23rd January 1858. (34) thirty-four pieces of Ordnance with the loss in all of only 37 Officers and Men killed and wounded.

I beg to record here, before too late, my thanks to the Officers who invariably Commanded the three Companies of selected marksmen (who formed my advanced guards and were always the first to encounter the Enemy); Captain Norman, 10th Foot, Captain Lyons, 20th, and Major Chichester, 97th Regiment.

Returns of Killed, Wounded and Missing, with Nominal lists of the Casualties and Returns of captured Ordnance, are enclosed herewith.

I have the honor to be,
